<p>(Applicable for new Subscribers only) What date would you like coverage to start? <i>The premium can be pro-rated. Your coverage ends with the common renewal date of May 1st. You can choose any start date. Binding and confirmation of coverage will be e-mailed or mailed only once we receive payment in full. You can make the effective date the beginning or the end of a particular month. However, if your desired effective date is part way through a month, that month must count as a full month.</i></p>		
<p>How do I arrive at the premium? <i>As an example, if your effective date is March 15th and your property limit is \$40,000, you would take \$300 premium as shown in the above chart, divide by 12 and multiply by the 2 months until renewal of May 1st. (\$300 / 12 = 25 x 2 mths = \$50 Premium + PST if applicable)</i></p>		\$
